

Paint It Black The Rolling Stones

**I see a red door and I want it painted black
No colors any more I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until the darkness goes**

**I see a line of cars and they're all painted black
With flowers and my love both never to come back
I see people turn their heads and quickly look away
Like a new born baby it just happens every day**

**I look inside myself and see my heart is black
I see my red door and I want it painted black
Maybe then I'll fade away and not have to face the fact
It's not easy facing up when your whole world is black**

**No more will my green sea go turn a deeper blue
I could not foresee this thing happening to you
If I look hard enough into the setting sun
My love will laugh with me before the morning comes**

**I see a red door and I want it painted black
No colors any more I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until the darkness goes**

**//:
I want to see your face, painted black, black as night
Don't wanna see the sun flying high in the sky
I wanna see it painted, painted, painted, painted black Yeah ://**
